

violation of any thereof; without representation or warranty by Landlord; it being understood and agreed, however, that the recital of the Permitted Encumbrances herein shall not be construed as a revival of any thereof which for any reason may have expired.

(b) Without limiting the effect of Landlord's covenant set forth in Paragraph 8.(c), the Landlord makes no, and expressly hereby denies any, representations or warranties regarding the condition or suitability of, or title to, the Leased Premises. Tenant agrees that it takes the Leased Premises "as is," without any such representation or warranty.

(c) Landlord hereby conditionally assigns, without recourse or warranty whatsoever, to Tenant, all warranties, guaranties and indemnities, express or implied, and similar rights which Landlord may have against any manufacturer, seller, engineer, contractor or builder in respect of any of the Leased Premises, including, but not limited to, any rights and remedies existing under contract or pursuant to the Uniform Commercial Code (collectively, the "guaranties"). Such assignment shall remain in effect so long as no Event of Default exists hereunder or until the termination of this Lease. Landlord shall also retain the right to enforce any guaranties so assigned in the name of Tenant upon the occurrence of an Event of Default. Landlord hereby agrees to execute and deliver at Tenant's sole cost and expense such further documents, including powers of attorney, as Tenant may reasonably request (and which in the good faith judgment of Landlord, do not adversely affect a substantial general interest of Landlord), in order that Tenant may have the full benefit of the assignment effected or intended to be effected by this Paragraph 6. Upon the occurrence of an Event of Default or termination of this Lease, the guaranties shall automatically revert to Landlord. The foregoing provision of reversion shall be self-operative and no further instrument of reassignment shall be required. In confirmation of such reassignment Tenant shall execute and deliver promptly any certificate or other instrument which Landlord may request at Tenant's sole cost and expense. Any monies collected by Tenant under any of the guaranties after the occurrence of and during the continuation of an Event of Default shall be held in trust by Tenant and promptly paid over to Landlord.

(d) Landlord agrees to enter into with Tenant, at Tenant's expense, such easements, covenants, waivers, approvals or restrictions for utilities, parking or other

matters as desirable for operation of the Leased Premises or properties adjacent thereto (collectively, "Easements") as requested by Tenant, subject to Lender's and Landlord's approval of the form thereof, not to be unreasonably withheld or delayed; provided, however, that no such Easement shall result in any diminution in the value or utility of the Leased Premises for use as a retail store site and further provided that no such Easement shall render the use of the Leased Premises dependent upon any other property or condition the use of the Leased Premises upon the use of any other property, each of which Tenant shall certify to Landlord and Lender in writing delivered with Tenant's request with respect to such Easement. Tenant's request shall also include Tenant's written undertaking acknowledging that Tenant shall remain liable hereunder as a principal and not merely as a surety or guarantor notwithstanding the establishment of any Easement. If either Landlord or Lender shall fail to approve or disapprove the form of any such Easements, within a period of thirty (30) days from their respective receipt of same, then either Landlord or Lender, as the case may be, shall be deemed to have approved the form of any such Easement.

7. Taxes; Insurance and Legal Requirements.

(a) Tenant shall, subject to the provisions of Paragraph 18 hereof relating to contests, before interest or penalties are due thereon, pay and discharge all Taxes. Landlord shall promptly deliver to Tenant any bill or invoice it receives with respect to any Tax. Nothing herein shall obligate Tenant to pay, and the term "Taxes" shall exclude, federal, state or local (i) franchise, capital stock or similar taxes if any, of Landlord, (ii) income, excess profits or other taxes, if any, of Landlord, determined on the basis of or measured by its net income, or (iii) any estate, inheritance, succession, gift, capital levy or similar taxes unless the taxes referred to in clauses (i) and (ii) above are in lieu of or a substitute for any other tax or assessment upon or with respect to any of the Leased Premises which, if such other tax or assessment were in effect at the commencement of the term, would be payable by Tenant. In the event that any assessment against any of the Leased Premises may be paid in installments, Tenant shall have the option to pay such assessment in installments; and in such event, Tenant

shall be liable only for those installments (and all resulting interest thereon) which become due and payable in respect of the Term. Tenant shall prepare and file all tax reports required by governmental authorities which relate to the Taxes. Tenant shall deliver to Landlord, within thirty (30) days of Landlord's request therefor, copies of all settlements and notices pertaining to the Taxes which may be issued by any governmental authority and receipts for payments of all Taxes made during each calendar year of the Term, within thirty (30) days after payment.

(b) Tenant shall promptly comply with and conform to all of the Legal Requirements and Insurance Requirements, subject to the provisions of Paragraph 18 hereof.

8. Use.

(a) Tenant may use the Leased Premises for any lawful purpose other than any use that will (i) have a material adverse effect on the value of the Leased Premises, (ii) materially increase the likelihood that Tenant, Landlord or Lender would incur liability under any provisions of the Act referred to in Paragraph 26 of this Lease, or (iii) result or give rise to any material environmental deterioration or degradation of the Leased Premises. In no event shall the Leased Premises be used for any purpose which shall violate any of the provisions of any recorded covenants, restrictions or agreements applicable to the Leased Premises or to any shopping center of which the Leased Premises may be a part. Tenant agrees that with respect to any such recorded covenants, restrictions or agreements, Tenant shall observe, perform and comply with and carry out the provisions thereof required therein to be observed and performed by Landlord.

(b) Subject to Tenant's rights of contest under Paragraph 18 hereof, Tenant shall not permit any unlawful occupation, business or trade to be conducted on any of the Leased Premises or any use to be made thereof contrary to applicable Legal Requirements or Insurance Requirements. Subject to Tenant's rights of contest under Paragraph 18 hereof, Tenant shall not use, occupy or permit any of the Leased Premises to be used or occupied, nor do or permit anything to be done in or on any of the Leased Premises, in a manner which would (i) violate any certificate of occupancy or equivalent certificate affecting any of the Leased Premises, (ii) make void or voidable any insurance which Tenant is required hereunder to maintain then in force with respect to any of the Leased Premises, (iii) affect in any manner the

ability of Tenant to obtain any insurance which Tenant is required to furnish hereunder, (iv) cause any injury or damage to any of the Improvements unless pursuant to Alterations permitted under Paragraph 11 hereof, or (v) constitute a public or private nuisance or waste.

(c) Subject to all of the provisions of this Lease, so long as no Event of Default exists hereunder, Landlord covenants that neither it nor any party claiming by, through or under it, shall do any act to disturb the peaceful and quiet occupation and enjoyment of the Leased Premises by Tenant. Landlord may enter upon and examine any of the Leased Premises at reasonable times after reasonable notice and during business hours and exercise any rights and privileges granted to Landlord under the provisions of this Lease.

9. Maintenance and Repair.

(a) Except for any alterations that Tenant is permitted to make hereunder, Tenant shall at all times, including any Requisition period, put, keep and maintain the Leased Premises, including, without limitation, the roof, landscaping, walls (interior and exterior), footings, foundations and structural components of the Leased Premises, and the Adjoining Property, in good repair and appearance, and shall promptly make all repairs and replacements (substantially equivalent in quality and workmanship to the original work) of every kind and nature, whether foreseen or unforeseen, which may be required to be made upon or in connection with any of the Leased Premises in order to keep and maintain the Leased Premises in as good repair and appearance as they were as of the Commencement Date, except for ordinary wear and tear. Tenant shall do or cause others to do all shoring of the Leased Premises or Adjoining Property or of foundations and walls of the Improvements and every other act necessary or appropriate for preservation and safety thereof, by reason of or in connection with any excavation or other building operation upon any of the Leased Premises or Adjoining Property, whether or not Landlord shall, by reason of any Legal Requirements or Insurance Requirements, be required to take such action or be liable for failure to do so. Landlord shall not be required to make any repair, whether foreseen or unforeseen, or to maintain any of the Leased Premises or Adjoining Property in any way, and Tenant hereby expressly waives the right to make repairs at the expense of the Landlord, which right may otherwise be provided for in any law now or hereafter in effect. Nothing in the preceding sentence shall be deemed to

preclude Tenant from being entitled to insurance proceeds or condemnation awards for Restoration pursuant to the terms of this Lease. Tenant shall, in all events, make all repairs for which it is responsible hereunder promptly, and all repairs shall be in a good, proper and workmanlike manner.

(b) If Tenant shall be in default under any of the provisions of this Paragraph 9, Landlord may, after thirty (30) days notice to Tenant and failure of Tenant to commence to cure during said period or to diligently prosecute such cure to completion once begun, but immediately upon notice in the event of an emergency (that is, imminent danger of injury to persons or property), do whatever is necessary to cure such default as may be reasonable under the circumstances for the account of and at the expense of Tenant. In the event of an emergency, before Landlord may avail itself of its rights under this Paragraph 9(b), Landlord shall send notice to Tenant of the situation by phone or other available communication. All actual and reasonable costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) so incurred by Landlord, together with interest thereon at the Default Rate from the date of payment or incurring the expense, shall constitute Additional Rent payable by Tenant under this Lease and shall be paid by Tenant to Landlord on demand. Landlord and Tenant agrees that, in the event of an emergency, expenditures which might otherwise be unreasonable (such as overtime) may nevertheless be reasonable under the circumstances.

(c) Tenant shall from time to time replace with other operational equipment or parts any of the mechanical systems or other equipment included in the Improvements which shall have become worn out, obsolete or unusable for the purpose for which it is intended, been taken by a Condemnation as provided in Paragraph 12, or been lost, stolen, damaged or destroyed as provided in Paragraph 14. Tenant shall repair at its sole cost and expense all damage to the Leased Premises caused by the removal of equipment or any other personal property of Tenant at any time, including upon expiration or termination of the Lease.

10. Liens. Tenant shall not, directly or indirectly, create or permit to be created or to remain, and shall promptly discharge, any lien on any of the Leased Premises, on the Basic Rent, Additional Rent or on any other sums payable by Tenant under this Lease, other

than the Mortgage (and any assignment of leases, rents or profits collateral thereto), the Assignment, the Permitted Encumbrances and any mortgage, lien, encumbrance or other charge created by or resulting from any act or omission by Landlord or those claiming by, through or under Landlord (except Tenant).

11. Alterations. Tenant shall not make any Alterations which would result, after giving consideration to the completed alteration, in a material diminution in the value of the Leased Premises without Landlord's written consent. Tenant may make any other Alterations without the prior written consent of the Landlord provided such Alterations comply with all of the provisions of the following sentence. In the event that Landlord gives its prior written consent to any Alterations, or if such consent is not required, Tenant agrees that in connection with any Alteration (i) all such Alterations shall be performed in a good and workmanlike manner, and shall be expeditiously completed in compliance with all Legal Requirements, (ii) all work done in connection with any such Alteration shall comply with all Insurance Requirements, (iii) Tenant shall promptly pay all costs and expenses of any such Alteration, and shall discharge all liens filed against any of the Leased Premises arising out of the same, (iv) Tenant shall procure and pay for all permits and licenses required in connection with any such Alteration, (v) all such Alterations shall be the property of Landlord and shall be subject to this Lease, and (vi) any Alteration the estimated cost of which in any one instance exceeds Two Hundred Fifty Thousand Dollars (\$250,000.00) shall be made under the supervision of a licensed architect or engineer in accordance with detailed plans and specifications which shall be submitted to Landlord at least twenty (20) days prior to the commencement of the Alterations. Upon completion of any Alteration in excess of \$250,000 Tenant will provide as-built plans and specifications or record drawings to Landlord and Lender.

12. Condemnation.

(a) Immediately upon obtaining knowledge of the institution of any proceeding for Condemnation, Tenant shall notify Landlord thereof and Landlord shall be entitled to participate in any Condemnation proceeding at Tenant's expense. Landlord, immediately upon obtaining knowledge of the institution of any proceeding for Condemnation, shall notify Tenant thereof and Tenant shall have the right to participate in such proceedings at

its own expense. Subject to the provisions of this Paragraph 12 and Paragraph 15, Tenant hereby irrevocably assigns to Lender or to Landlord, in that order, any award or payment in respect of any Condemnation of Landlord's interest in the Leased Premises, except that nothing in this Lease shall be deemed to require (i) the assignment to Landlord or Lender of any award or payment on account of Tenant's leasehold interest hereunder, Tenant's Trade Fixtures, or other tangible personal property, moving expenses and similar claims, if available, to the extent Tenant shall have a right to make a separate claim therefor against the condemnor or (ii) any act or circumstance that impairs Tenant's right to any such award or payment, it being agreed, however, that Tenant shall in no event be entitled to any payment that reduces the award to which Landlord is or would be entitled for the condemnation of Landlord's interest in the Leased Premises.

(b) If (i) the entire Leased Premises or (ii) at least ten percent (10%) of the Land or the building constructed on the Land, the loss of which even after restoration would, in Tenant's reasonable business judgment, be substantially and materially adverse to the business operations of Tenant, shall be subject of a Taking by a duly constituted authority or agency having jurisdiction, then Tenant shall, not later than sixty (60) days after a Taking has occurred, serve notice upon Landlord ("Tenant's Termination Notice") of its intention to terminate this Lease on any Basic Rent Payment Date specified in such notice, which date (the "Termination Date") shall be no sooner than the first Basic Rent Payment Date occurring at least thirty (30) days after the date of Tenant's Termination Notice. In the event that during the initial term Tenant shall serve such notice upon Landlord of its intention to terminate this Lease on the Termination Date, Tenant shall, as part of such notice, offer (which offer may be rejected by Landlord as set forth below) to purchase the Leased Premises and the award, or if no part of the Leased Premises shall remain, the entire award for the applicable price computed in accordance with the schedule annexed hereto and marked **Exhibit "C"** (the "Purchase Price") plus all other amounts which may be due and owing to Lender or Landlord by reason of any default by Tenant in complying with its obligations under this Lease (the "Additions to Purchase Price"). If Landlord and Lender shall not elect to accept Tenant's said offer to purchase, Landlord shall give notice rejecting such offer to Tenant within thirty (30) days after the giving

of Tenant's Termination Notice, in which case this Lease shall be terminated as above provided and the entire award made in the Condemnation proceeding shall be paid to Lender, or if there is no Lender, to Landlord. Landlord's notice to reject Tenant's said offer to purchase shall be void and of no effect unless accompanied by the written notice of Lender to the effect that Lender also elects not to accept Tenant's said offer to purchase. Should said notices of Landlord and Lender rejecting Tenant's said offer to purchase not be served within said period of thirty (30) days, then and in that event, the said offer shall be deemed accepted. In the event that Landlord and Lender shall accept or be deemed to have accepted Tenant's offer to purchase, title shall close and Purchase Price and Additions to Purchase Price shall be paid as hereinafter provided and in such event Tenant shall be entitled to and shall receive any and all awards then or thereafter made in the Condemnation proceeding and Landlord shall assign or in case of any award previously made, deliver to Tenant on the Closing Date such award as may be made.

In the event Landlord and Lender shall accept Tenant's offer to purchase, or be deemed to have accepted Tenant's offer, title shall close thirty (30) days after the Termination Date hereinbefore defined (the "Closing Date"), at noon at the local office of Landlord's counsel, or at such other time and place as the parties hereto may agree upon, this Lease shall be automatically extended to and including the Closing Date (or, if applicable, the extended Closing Date hereinafter described) and Tenant shall pay the Purchase Price and Additions to Purchase Price by transferring immediately available federal funds to such account or accounts and in such bank or banks as Lender or Landlord, in that order, shall designate, upon delivery of a special warranty deed conveying the Leased Premises and all other required documents including an assignment of any award in connection with such Taking. The special warranty deed shall convey a good and clear record and marketable title, free from encumbrances other than (i) Permitted Exceptions, (ii) liens or encumbrances created or suffered through or by Tenant failing to observe or perform any of the terms, covenants or agreements herein provided to be observed and performed by Tenant, (iii) any installments of Taxes due and payable after the Closing Date, and (iv) this Lease. Such deed shall contain an agreement by grantee to observe and perform all of the covenants, conditions and restrictions contained in any instruments of record which were assumed by Landlord or deemed to have been assumed by

Landlord on its acquisition of title. The Purchase Price and Additions to Purchase Price payable as hereinabove provided shall be charged or credited, as the case may be, on the Closing Date, to reflect adjustments of Basic Rent paid or payable to and including the Closing Date, apportioned as of the Closing Date. The acceptance of a deed by Tenant shall be deemed to be a full performance and discharge of every agreement and obligation on the part of Landlord to be performed pursuant to the provisions hereof. Tenant shall pay all conveyance, transfer, sales and like taxes required in connection with the purchase. If on the Closing Date, there may be any liens or encumbrances which Landlord is obligated to remove, Landlord shall use reasonable efforts to remove the same, and the Closing Date shall be extended for a reasonable period to permit Landlord to discharge such liens or encumbrances. If by said extended Closing Date such liens or encumbrances shall not be removed and such liens or encumbrances shall be subordinate to a Mortgage, Tenant shall seek to purchase the Mortgage from the holder thereof at a price which shall in no event exceed the Purchase Price and Additions to Purchase Price charged or credited, as the case may be, on the extended Closing Date, to reflect adjustments of Basic Rent paid or payable to and including the extended Closing Date, apportioned as of the extended Closing Date and the Leased Premises shall be conveyed by Landlord to Tenant subject to the Mortgage and in such event the amount payable by Tenant to the holder of the Mortgage shall be deducted from the Purchase Price and Additions to the Purchase Price payable to Landlord. Landlord shall not be obligated to discharge any such lien or encumbrance if Tenant's title insurance company shall issue affirmative insurance to the effect that the same shall not be collected from or enforced against the insured premises. If there be any liens or encumbrances against the Leased Premises which Landlord is obligated to remove (that is, any adverse title matters other than those to which Landlord's conveyance under special warranty deed may be subject as set forth in subparagraphs (i) through (iv) above), upon request made a reasonable time before the Closing Date, Landlord shall provide at the Closing separate funds for the foregoing, payable to the holder of such lien or encumbrances.

In the event that during any renewal term Tenant shall serve Tenant's Termination Notice upon Landlord, this Lease and the Term hereof shall terminate on the Termination Date.

In such event the entire award made in Condemnation proceeding shall be paid to Lender, or to Landlord, in that order.

(c) In the event of any other Condemnation of part of the Leased Premises which does not result in a Termination of this Lease, subject to the requirements of Paragraph 15, the Net Award of such Condemnation, *i.e.*, after deducting therefrom all expenses incurred in the collection thereof, shall be retained by Landlord and, promptly after such Condemnation, Tenant shall commence and diligently continue to perform the Restoration.

Upon the payment to Landlord of the Net Award of a Taking which falls within the provisions of this subparagraph (c), Landlord and Lender shall, to the extent received, make that portion of the Net Award equal to the cost of Restoration, (the "Restoration Award") available to Tenant for Restoration, in accordance with the provisions of Paragraph 15, and the balance remaining (the "net surplus award") shall be the property of Lender or Landlord in that order. Following the making of the condemnation award and on completion of the repairs or alterations made by Tenant as herein provided, the monthly installment of Basic Rent for each month thereafter during the term hereof shall be reduced by an amount equal to one-twelfth (1/12th) of 9.8% (if during the initial term hereof; if during the first renewal term, 10.78%, and if during the second renewal term, 11.76%) of the net surplus award, retained by Landlord or paid to Lender.

In the event of a Requisition of any of the Leased Premises, Landlord shall apply the Net Award of such Requisition, to the extent available, to the installments of Basic Rent, Additional Rent or other sums payable by Tenant hereunder thereafter payable and Tenant shall pay the balance remaining thereafter. Upon the expiration of the Term, any portion of such Net Award that shall not previously have been credited to Tenant on account of the Basic Rent and Additional Rent shall be retained by Landlord.

(d) Except with respect to an award or payment to which Tenant is entitled pursuant to the foregoing provisions of this Paragraph 12, no agreement with any condemnor in settlement of or under threat of any Condemnation shall be made by either Landlord or Tenant without the written consent of the other, and of Lender, if the Leased
